Board members, Ronnie Hall, Jim Shelton, Teresa Handley, James McCoy-Bruce and Sylvia Hughes met at the home of Ronny Hall on January 7, 2010 to discuss our goals, recommendations, and projections for 2010.

-Change our meeting date from the third Thursday of the month, every other month to the third Tuesday of the month, every other month. Bring to membership for a vote.

-Dues are due on or before March 1<sup>st</sup> each year. Get renewals at January meeting.

-Discussed signage. Possibly a portable dba sign. Lions Club received a Palmetto Pride Grant for their sign.

-Farms Days\_ possibly promote a “stump day” for our September meeting, have fliers ready.

-Use the two school’s newsletters to promote dba.

-Have March as a working-planning meeting to set goals for dba this year and begin to take steps to implement these goals.

-Have May meeting as a “Town Hall” type gathering in the current elementary school gym to promote dba; recognize our fire department and rescue team; announce goals that dba has such as use of the “old” elementary school by the rec department and the community. A two year goal of possibly having a grocery store, doctor-dentist office, and a post office.

-July meeting is open

-September meeting could be a community “Stump Meeting”.

CONCLUSION- The possibilities are endless.
