

MINUTES OF DACUSVILLE BUSINESS ASSOCIATION MEETING

The bi-monthly meeting of The Dacusville Business Association was held on November 8, 2007 at the Dacusville Lion's Club. President Jim Shelton welcomed attendees and gave opening remarks. Minutes of the September 20th meeting were read and approved as written. Treasurer Bob Spalding gave a verbal report that finances are in good standing with a balance of \$213.97.

Jim Shelton remarked on Pickens County School Board action to not accept the tift offer made by the City of Easley. Pickens Councilman, Tom Ponder, informed the group that "*Welcome to Dacusville*" signage will be made by the county's Beautification Committee in their sign shop. They will also supply "name signs" for the creeks located in Dacusville. Ronny Hall agreed to work with Tom on locating the creeks and names, and also come up with entrance to Dacusville locations.

Farhad Rostampour, son-in-law of Dacusville resident Fred Cashion, was our featured speaker. He held our complete interest with details of his year long plan, and accomplishment, of being the first Iranian to fly around the world in a single engine plane. His picture presentation of *Freedom Flight Around the World* was fascinating, beginning with departure from The Donaldson Center in Greenville. He explained the hardships of young people in Iran and his determination to do this flight as an example.

There being no further business, the meeting was adjourned at 9:00 pm.
