A MESSAGE FROM THE PRESIDENT

The meeting on March 16th was important for many reasons. It was personally rewarding because to that point I had not felt I had provided the leadership needed for our association. After the vote to have a *Welcome to Dacusville* sign and the go ahead for the celebration for our first responders on May 18th, I have been energized and excited.

The company making our sign has requested a down payment of \$250.00 which has been sent and the materials are on site. I will be checking on the progress next week. The gym at the Dacusville Elementary has been reserved and the plan is taking shape.

Your board voted to present plaques of appreciation to each organization. The fire department will be celebrating their 30th year. What an accomplishment.

Thanks to Jim Shelton for writing our News Release and special thanks to Sylvia, Teresa and James for their help in planning this very important event on May 18th. The theme is **CELEBRATE DACUSVILLE PAST-PRESENT-FUTURE**. Sylvia developed the attached flyer. Please help us get the word out to everyone in this community.

Lastly, our next meeting will be different but very important. I am asking members, if possible, to attend the supper for the first responders to be held at 6:00 pm on May 18th in the firehouse. This will serve as our meeting. There is no cost as most of the food is being donated. Show your support for our community by attending the supper and then the meeting at the school at 7:30 pm. Please RSVP to Sylvia Hughes at 979-1546 or Sylvia@lwt-inc.com no later than May 10th. Even if you cannot attend the meal, let her know if you plan to attend the meeting.

This is a big event for DBA and with your help it will be a great success. A special "Thanks" to your board for their hard work.
