

Dacusville Business Association

November 2010

A MESSAGE FROM THE PRESIDENT

Dear Members,

I am very proud of the accomplishments of the Dacusville Business Association in the year 2010. Our Past, Present, and Future recognition supper and ceremony for the first responders was a huge success. By the time we have our next meeting all three of the "WELCOME TO THE DACUSVILLE COMMUNITY" signs will be in place. We also increased our membership and have laid the ground work for a promising 2011. This was a joint effort by the membership and the Executive Board. I THANK all for your participation and membership in the DBA.

The major goal has been and continues to be the creation of a community center for our community. The Dacusville Community Club has this as their main goal also. At our last meeting, I explained that the boards of each organization came to the same conclusion that the timing is now right for the two groups to join forces for the betterment of the Greater Dacusville Area. As such I have invited the membership of the DCC to attend our meeting on November 16th. This will give the membership of the DBA an opportunity to interact with and better understand the goals and objectives of each organization so that we can work to come together as one. A lot work is yet to be done. The legal issue of the 501©3 and writing of new bylaws will take some time. Any suggestions or comments regarding this transition are welcomed.

The election of officers for 2011 will take place at our next meeting. If anyone would like to be considered for an office in the DBA please contact Jim Shelton. His number is 864-836-8465.

Your attendance at our next meeting will be appreciated.
