

Help the Dacusville Community Club

The Dacusville Community Club would like to add a festive eye-catching splash to our very own town with colorful and unique Christmas Banners. But, WE NEED YOUR HELP. We are now accepting tax deductible donations of \$100.00 or more for each banner. These banners will hang on each pole in the downtown Dacusville area and add a touch of class to our already beautiful town.

This will also be a great way to remember someone who may have once lived in the Dacusville area, or a way to honor someone you love. If you choose this option a small plate will be attached to the pole showing your "in memory/in honor" of.

Please contact Abby Porter at 864-850-9126 or Betty Hall at 864-836-8662 for more information or to make a donation.

Thank you so much for all of your help over the last 21 years.
